**ASSEMBLYMAN PAUL COOK MASTER OF CEREMONIES AT RUBBER DUCKY
REVERSE RAFFLE EXTRAVAGANZA EVENT NEXT FRIDAY EVENING
-- ADVANCE TICKETS ONLY \$20--**

In an event that's certain to be all it's "quacked up to be," Assemblyman Paul Cook will once again be the Master of Ceremonies at the Morongo Basin Senior Support Center's annual Rubber Ducky fundraiser to be held next Friday, September 25, from 6-9 pm. This year the fun-filled event centers around a reverse raffle, with individually-numbered ducks plucked from the Center's warm-water pool until a single winning duck remains. And while the lucky winner receives a \$1000 pre-paid Visa or MasterCard, other wonderful prizes will be awarded along the way to the evening's top prize. In addition, event-goers may purchase chances on other single-item raffles, enjoy appetizers and a no-host bar, and mingle with business associates and friends as they all support this vital charity.

Raffle tickets are \$20 each in advance and a "Quack Pack" of 6 Rubber Ducky raffle tickets is only \$100. Purchase of a raffle ticket in the name of the attendee is required to be present at the event; however the winner need not be present in order to receive their prize! Tickets are sold in advance at the Morongo Basin Senior Support Center located at 57121 Sunnyslope Drive in Yucca Valley (next to the Road House Restaurant) or are available from any board member or the member of the Center's staff.

The Morongo Basin Senior Support Center is the long-time home of the warm-water exercise pool and senior activity center. As one of its many service offerings, MBSSC provides water and land-based exercise classes aimed especially for seniors and those who have arthritis, fibromyalgia, or who are in need of more gentle exercises. The water-based classes are taught thirty-two times a week by certified Arthritis Foundation instructors.
